## **Line Managers Stream**

*Joel Preston*

These workshops will explore the role of a line manager overseeing someone in ministry. The stream will include a mixture of theory and practical tools and tips, to enable line managers to develop healthy relationships and bring out the best in those they manage.

---

## **Mentors Stream**

*Rowland & Ali Clear*

This stream will focus on exploring the role of a mentor in the life of someone in a ministry role. The sessions will explore what a mentor is and how to support and encourage the person being mentored in different areas of their lives.

---

## **Children's Leaders Stream**

*Rachel Dyer*

A stream specifically for children's leaders and volunteer teams. This stream will explore how churches can engage children and families in the wider community. Rachel will share practical ideas of how to connect church with the community in life changing ways.

---

## **Youth Leaders Stream**

*Jenna Burnett & Matt Merriam*

This stream will explore mental health in young people. We will be looking at an overview of mental health and then looking at some excellent practical tools to help us as we seek to support and encourage young people in our groups.
